EDUCATIONAL TRIP

DPSD/Tour/Cir/2018

DATE: 20 September 2018

Dear Parents

The best way to know a place is to visit there and educational trips are experiences that allow students to apply their lessons to the world. Embarking on educational tours & submerging them into varied cultural experiences has been found to be invaluable for their development & understanding. So like every year, this year also, DPS Durg has planned for an educational-cum-excursion trip to **Hyderabad-The City of Pearls** for the students of Classes VII, VIII IX & XI from 20th to 24th December, 2018. Interested parents may download the consent form by clicking on this link and register your ward's name by 25th September, 2018.
